

CITY OF RENTON

NOTICE OF ADMINISTRATIVE PUBLIC MEETING

Noise Variance

NOTICE IS HEREBY GIVEN that the City of Renton Department of Community and Economic Development has fixed the 27th day of October 2011 at 6:00 p.m. in the Renton City Hall Council Chambers, 1055 South Grady Way, Renton, Washington, 98057, as the time and place for a public meeting to consider the following:

Application by the City of Renton Public Works Department Transportation Systems Division requesting a variance from the City of Renton Noise Ordinance, for 440 non-consecutive nights of construction work between February 1, 2012 and November 30, 2014. The items of work to be performed along Rainier Avenue (SR 167) from South Grady Way to South 2nd Street include but are not limited to:

- Installation of business access transit (BAT) lanes
- Left-turn lanes
- Enhancing sidewalks, landscaping, and lighting

The Transportation Systems Division has determined that crews will perform project work at night when there is less traffic on the road. Nighttime lane closures minimize congestion impacts to drivers during the day, and are safer for workers.

Correspondence regarding the variance request should be addressed to Neil Watts, Development Services Division Director, Renton City Hall, 1055 South Grady Way, Renton, WA 98057. For more information about the project, please contact Derek Akesson, Civil Engineer, at (425) 430-7337.

All interested parties are invited to attend the meeting and present oral or written comments in support or opposition to the proposal. Renton City Hall is fully accessible and interpretive services for the hearing impaired will be provided upon advanced notice to the City Clerk at (425) 430-6502.

Bonnie I. Walton
City Clerk
